The international institute of management in technology (iimt) of the Faculty of Economics and Social Sciences, University of Fribourg/Switzerland, invites applications for the following faculty position:

**Associate Professor in Business Administration, with specialisation in Management in the ICT (Information and Communication Technology) and Utility (electricity, gas, water) sector.**

The position encompasses teaching and research duties in the educational programmes of the Faculty of Economics and Social Sciences as well as of the iimt (Executive Diploma and Executive MBA in ICT and Utility Management). Fluency in English is required as all teaching at the iimt is given in that language. Moreover, in line with the University of Fribourg’s unique profile as a bilingual institution, a sound active knowledge of French and German is also expected.

The University of Fribourg is an equal opportunity employer. As part of the University, the iimt offers attractive contract conditions in addition to a working and living environment of excellent standing.

The Associate Professorship is a 50% position with an initial contract for a period of three years. Applicants to the Associate Professorship should possess a Doctorate or PhD, a Habilitation or equivalent merits, an international publication record, teaching experience on a postgraduate level and an intimate knowledge of the ICT and/or Utility sector.

Additionally, the iimt offers the 50% position of Vice-Director of the iimt. The Vice-Director is responsible for the institute’s Executive education programmes and works closely with industry, generating third-party funding.

The ideal candidate is expected to fill both positions of Associate Professor and Vice-Director of the iimt and to start in October 2007 (see www.iimt.ch).

Applications including curriculum vitae, publication and teaching record as well as two references should be submitted no later than March 30th, 2007, for the attention of the president of the search committee:
